iUniverse, United States, 2007. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is Nick Armbrister s first collection of short stories, written from the late 90 s to the present day. They cover several topics, like his poems, but in much more depth-from satanic actions by people worshipping an evil god ( Loss of the Ice Queen ) to warriors of the sky using man s most powerful weapons in anger ( Final Flight ), to an attempt to control fate ( Spell to Find Amelia Earhart ), and to a post-nuclear townscape ( Second History , set in Oldham). Two of the stories are fragments of larger uncompleted/lost work that deserve inclusion here. One day these projects may well see the light of day, but for now, the author hopes the reader will enjoy his dark work -in time he hopes to do a follow-up. These stories span his entire writing career. Though he prefers poetry as a means of incisive, concentrated power of expression, he loves short stories for their fun; even those that give one a glimpse into the dark side that lurks beneath the surface of life!.
