Createspace, United States, 2012. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.There is nothing noteworthy about Joshua Cooper s 17 year-old life except for the ear-splitting fights his parents get into. The brutal shouting matches between two parents that love him-but seemingly not each other-are the reason he continually runs away. On a particularly stormy night, Joshua once again flees his house and finds himself crossing the English Channel into France with the aid of a kind, older man. However, the storm is too fierce, and the boat is forced under the surf. Josh blacks out and awakens on a farm in the mysterious world of Lumenaria, where grains of illuminated dust riddle the sky. He learns that the shimmering spots of light are part of a mysterious life-based force called Essence that can be controlled by the locals for creation, healing.or war. The owner of the farm-a kind veteran named Wester-and his daughter, Arya, nurse Josh back to health and take him to the capital so he can find a way home. Upon their arrival, they hear whispers of a plot to destabilize peace in the province. When a brutal attack kills thousands, Josh finds himself a suspect and is suddenly left to decide whether to help Arya prevent a war at the risk of his own life, or return to a home which he isn t particularly fond of. At 81,000 words, The Archon s Legacy is young adult fantasy about Joshua s journey in a strange, new world that pits him against dark creatures, a commanding officer who wants his head, and his own doubts about his family. With adventure, danger, and heroism, The Archon s Legacy will provide excitement, tears, and smiles for readers who...
