Brand New Book ***** Print on Demand *****.Tyrannosaurus Nathaniel is an intelligent dinosaur. The only intelligent dinosaur. But something happens to change that. Something that has been dampening the intelligence of all dinosaurs is suddenly turned off. They start to remember and become curious again. One by one the intelligent dinosaurs find each other. They find the tyrannosaurus's house, his water and electricity experiments, and a deep hole he's been digging. Something is down there. An old city from years ago that they'd all forgotten about. But one thing keeps getting in the way of their new found connection. They are all very, very hungry. Can the herbivores and carnivores get along, find the ancient city, and start a new dinosaur life, or will their constant hunger consume their new civilisation like it did their ancestors? Dinory Excerpt It made his head spin when he started thinking about it. To all intents and purposes, he should not exist here like this. He had no idea where these skills had come from and no idea how he was going to pass these skills on to anyone else. As this thought hit him he suddenly grew slightly despondent. What was it all for? If he could just meet another intelligent dinosaur, maybe he'd get an answer. Suddenly there was a rustle in the undergrowth and a short, sleek, quick moving dinosaur peeked out from behind the fronds of a fern, its yellow eyes glinting in the sinking sun, and its tongue flicking in and out past its sharp teeth. Tyrannosaurus Nathaniel could see the upright feathered body and tail, as well as the sharp foreclaws, and knew...
