MARRIAGE SOMETIMES: SOMETIMES IT WORKS, SOMETIMES IT DOESN'T - SHORT STORIES ONE ESSAY (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My daughter is going through a divorce, as is my step-daughter. What worries me is they both are the ages when their parents divorced. The book, Beyond the Power Principle, makes the point that we often do things our parents did at the same age. Not only profound, but a little scary. That's why I decided to write a series of fictionalized pieces about friends' marriages and their parents' marriages. We have the imprint, but it is a matter of whether or not that imprint now applies to our lives. I don't know the answer, that's why I want to write about it to find out. That's why I am one of fictionalized friends. See what you think. Not about my contacts or family, but about your own.
