It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

Balboa Press, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What is the meaning of life? It seems that we spend our lives in constant pursuit of something. At times the search stems from an inner hunger to close a void within. Other times, we are impelled by our need to validate ourselves in relation to others. Experience teaches us when we listen. Life remains a mystery, riddled with questions and answered in riddles. Soft to the touch, hard to understand, right before our eyes and left unsaid. Something. As a continuation of Alan s first book, A Sense of Awe, this collection of meditative poetry explores the mind and heart, thought and soul, weaves its way through shadow and emerges as a flash. In Search of Something.
