GROOM'S SURVIVAL MANUAL

Pocket Books, 1991. Paperback. Book Condition: New. 214 pages From Library Journal Most wedding etiquette books available today offer advice to the bride on how to plan the marriage ceremony. This guide is designed to help the groom handle the ring selection, invitations, rehearsal dinner, honeymoon vacation, bachelor party, and many legal aspects of marriage. Freelance writer Perry includes many of the typical charts found in other wedding handbooks: honeymoon budget, six-month countdown schedule, selection of a place to live, etc. Written in a colloquial style with plenty of anecdotes and analogies, this consumer guide is more likely to be read by the groom as he tries to organize his half of the celebration. An optional purchase for public library collections. -Mary Ann Wasick, West Allis P.L., Wis. Copyright 1991 Reed Business Information, Inc. Ingram The ultimate survival guide for bewildered husbands-to-be covers everything grooms need to know about legal issues, selecting a best man and ushers, donning a tuxedo, planning a honeymoon, choosing a first home, and adjusting to marital life. Reissue.
