Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I am sure that most of you have heard at least once, the story about a cunning cat walking around the countryside wearing a large pair of boots. The story is already quite incredible, isn't it, but what would you say if I told you about a pair of boots walking around without being worn, not even by a cat? or a dog? or a person? Impossible? Are you sure? Because I am sure, and if you listen I will prove you wrong! Now I must admit, we are not talking about an elegant pair of leather boots like those worn by Puss, but a more practical pair, in fact a pair of wellington boots; and yes, the very same boots that Terrore, Beppe's dog, had tried to destroy on several occasions. Don't worry, he will not get into trouble for that; after all Terrore has very good reasons to want to destroy those boots and once you have read this story you will be more than happy to help him do just that. Unless; in the mean time, the boots have walked far enough to be out of reach.
