The Use of Steel for Constructive Purposes: Method of Working, Applying and Testing Plates (Classic Reprint) (Paperback)

By Joseph Barba

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Use of Steel for Constructive Purposes: Method of Working, Applying and Testing Plates Excellent pig for the production of cheap steel is obtainable in all parts of the country, and ferro-manganese, upon which important qualities of constructive steels depend, is now cheap enough to warrant its general use. In short, with every facility for making the products so largely needed here, and so largely used abroad-with the best steel works in the world, and working organizations in them which have increased product and decreased cost in a remarkable degree, we are devoting more concentrated action to schemes for preventing over production than we are to adapting grades and shapes of product to the various constructive uses, and to teaching artisans how to heat, shape and apply them. In view of this state of affairs, it seems to me that the dissemination among our steel makers and users, of the facts contained in M. Barba s little book, should be of great advantage, ist, to our engineers and machinists, by making more conspicuous the nature...
