

Emergent Publics: An Essay on Social Movements and Democracy (Paperback)

By Ian Angus

Arbeiter Ring, United States, 2002. Paperback. Book Condition: New. 173 x 122 mm. Language: English . Brand New Book. Recently much of the Left has shifted emphasis away from issues of class, toward democracy. Indeed, democracy is now emerging as an overarching label for the goals of anti-globalization activists. What is the relationship between such social movements and democracy? In *Emergent Publics*, Ian Angus wrests the concept of democracy away from the notion that the citizen's only real activity is voting, and argues for a radical and participatory model. This short and accessible book looks back to the roots of democratic institutions, showing how they originated in social movements and the new forms of communication and interaction within those movements.
