Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I in fact changed the way I think.

Folens Publishers UK, 1992. Hardcover. Book Condition: New. Science In Action is a science course for primary schools which enables pupils and teachers to investigate the scientific elements of both their local environment and of the wider world. There are seven units in all - one unit for each year group from Primary (age 4-5) through to ages 10-11. Each unit is divided into four popular themes and comes complete with pupil materials and a Teachers' Resource Book per theme. The Teachers' Resource Books provide advise, cross curricular ideas, photocopiable activity sheets and a useful pupil assessment program which can be used to record each child's progress. Science in Action - Wheels (Primary - Ages 4-5).
