

Blood Sisters: The Women Behind the Wars of the Roses

Filesize: 7.88 MB

Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

BLOOD SISTERS: THE WOMEN BEHIND THE WARS OF THE ROSES

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Blood Sisters: The Women Behind the Wars of the Roses, Sarah Gristwood, The true story of the White Queen and more, this is a thrilling history of the extraordinary noblewomen who lived through the Wars of the Roses. The events of the Wars of the Roses are usually described in terms of the men involved: Richard Duke of York, Henry VI, Edward IV, Richard III and Henry VII. But these years were also packed with women's drama and - in the tales of conflicted maternity and monstrous births - alive with female energy. In this completely original book, Sarah Gristwood sheds light on a neglected dimension of English history: the impact of Tudor women on the Wars of the Roses. She examines, among others, Cecily Neville, who was deprived of being queen when her husband died at the Battle of Wakefield; Elizabeth Woodville, the commoner who married Edward IV in secret; Margaret Beaufort, mother of Henry VII, whose love and ambition for her son knew no bounds. Until now, the lives of these women have remained little known to the general public. Sarah Gristwood tells their stories in detail for the first time. Captivating and original, this is historical writing of the most important kind.
