Luke xvi. 1-9. NO one, who has seriously considered, will underrate the . difficulties of this parable, --difficulties which Cajetan found so insuperable that he gave up the matter in despair, affirming a solution of them impossible. It is nothing wonderful that it should have been the subject of manifold, and those the most curiously diverse, interpretations. I shall make no attempt to render a complete account of all of these; such would be an endless task;1 but, as I go through the parable, shall note what parts of it those interpreters, who have best right to be heard, have con- sidered its key-words, and the meanings which they have made the whole to render up; I shall at the same time briefly note what seem the weak and unsatisfactory points in those explanations which I reject. For myself, I will say at once that very many of its interpreters seem to me (if one may use a familiar expression) to have overrun their game. I am persuaded that we have here simply a parable of Christian prudence, --Christ exhorting us to use the world and the world s goods, so to speak, against the world, and for God. Having finished the parable of the Prodigal Son, He did 1 Schreiter, in a work entirely devoted to this parable (Explic. Parab. de Improbato (Economico Descriptio; Lips. 180)), gives an appalling list of explanations offered, and a brief analysis...
