Each feels there is a void and seeks fulfillment beyond the routine of a trophy wife. The three often draw support from each other, but despite their close-knit relationship, each has her own secret she s not willing to share. So when another woman, Terra, befriends the trio, it isn t certain whether she s sincere or whether she has her own special agenda. As the skeletons in their closets start to come out, Shayla, Kyle, and Amber discover that glamorous looks and coveted worlds cannot shield them from the realities of life.
