She sleeps in a hanging basket that hangs just above her friends. Together with her doll friends, Zus and Mary, she experiences many adventures in the night, or when everyone else is gone. Regina van den Berg and her husband have a daughter. For a while, she wanted to write a children s book, but it never materialized, or they did not like the stories. One night, she could not sleep. She began to think and the result was the story. She went out of bed and wrote down the story. Thus, the beginning of Gigi and her friends had been created.
