Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The thunderous, continuous rhythm of the drumming stops abruptly as if gulped down by an unnoticed mouth. A woman walks into the circle. She is tall, pale and beautiful. The moon reflects off her ebony black hair hanging down to her waist. As she lifts her long elegant arms up into the air, she screams a blood-curdling scream.
