

Human Rights Handbook, The: A Global Perspective for Education

By Gearon, Liam

Trentham Books, U.S.A., 2003. Soft cover. Book Condition: New. An authoritative guide to human rights for teachers, students and researchers. It presents an increasingly complex field in a straightforward and accessible manner. Each chapter has a similar user-friendly format. The chapter summary is followed by a general introduction to the theme. International legal standards are set out in a selection of key documents. The relevant human rights organizations are described: UN, regional-governmental and non-governmental (NGO). Because the handbook does not claim to be exhaustive, each chapter concludes with a brief selection of additional resources for further reading and research. About the Author: Liam Gearon is Reader in Education and Director of the Centre for Research in Human Rights at University of Surrey Roehampton, U.K. He is author of the acclaimed Human Rights Handbook: A Global Perspective for Education.
