Excerpt: . . . intended to summarize all levels of transition planning information ( milestones, metrics, resource needs, and system migrations ) as an integrated product for communicating and monitoring progress - resulting in a consistent framework for setting priorities and evaluating plans, programs, and investments. DOD updates the Enterprise Transition Plan twice a year, once in March as part of DODs annual report to Congress and again in September. Although the Enterprise Transition Plan provides an overall strategy and corresponding metrics for achieving each of the departments six business enterprise priorities, DOD officials have acknowledged improvements are needed in the plan to provide a clearer assessment of the departments transformation effort. DOD officials have also acknowledged the need for an integrated planning process and results-oriented measures to assess overall business transformation. Financial Improvement and Audit Readiness ( FIAR ) Plan. A major component of DODs business transformation effort is the Defense FIAR Plan. The FIAR Plan is updated twice a year and is intended to provide DOD components with a framework ( audit...
