Up until now this has been the most difficult part of learning to read. Now, for the first time, learning to decode is the easiest part. Based on how people learn their native language, Phonics Mnemonics presents all of the elements for decoding Standard American English. For most people these are learned in from 4 to 10 weeks along with 720 sight vocabulary words. It is normal for first grade students who begin the year with Phonics Mnemonics and complete this program to read somewhere between 2nd and 7th grade levels by years end. Techniques for learning quickly For the mind to retain information you must: See it, Hear it, Feel it. People learn easily and quickly when the information is: A fun play approach with no teaching, The pieces are connected, The first and last items in a series, Silly - ridiculous - ludicrous. Passive listening like childrens bedtime stories, Nightly passive listening to the phonics-based bedtime stories is the key to success. This item ships from multiple locations.
