Excerpt: . . . may not, at least until after the consequences of its absence manifest themselves, exhibit sufficient caution and restraint in using their vast powers to extend credit, is not imaginary or fanciful. It is the inevitable conclusion which one must reach from an examination of many of the reasons which have been brought forward during the last few years to secure popular support for the method of banking reform exemplified both in the bill of the National Monetary Commission and in the Glass-Owen bill. Although I may seem to be going somewhat beyond the proper limits of my subject, I hope I may be pardoned if I indicate some few of the unfounded hopes which have been raised in the minds of the people during the discussion of the last few years--hopes which will make much trouble for those who may be entrusted with responsibility...
