

On Socialism (Paperback)

Filesize: 3.99 MB

Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

ON SOCIALISM (PAPERBACK)

COSIMO CLASSICS, United States, 2009. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the foremost figures of Western intellectual thought in the late 19th century, John Stuart Mill offered up examinations of human rights, personal and societal rights and responsibilities, and the striving for individual happiness that continue to impact our philosophies, both private and political, to this day. At the time of his death in 1873, Mill was planning a comprehensive critique of 19th-century socialism: he died before he could write much toward this project. But a few introductory chapters survived. First appearing in published form in the Fortnightly Review in early 1879, these writings explore Mill's ideas on the socialist objections to 19th-century society, the difficulties of socialism, concepts of private property, and more. English philosopher and politician JOHN STUART MILL (1806-1873) served as an administrator in the East India Company from 1823 to 1858, and as a member of parliament from 1865 to 1868. Among his essays on a wide range of political and social thought are Principles of Political Economy (1848), Considerations on Representative Government (1861), and The Subjection of Women (1869).
