

Kids with Karacter: A Learning Book for Preteens (Paperback)

By Thomas Thud Hudson, David Sam House

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Kids With Karacter started as an attempt to create a series of short books aimed at preteen children to give them examples of good character traits as well as bad ones. The aim is to show how the good traits can help them in life, even in adulthood, and how they can spot and even handle other kids who have negative traits. Or, to help them correct these less-than-desired character traits in themselves. The teachings are through both parental understanding and direction as well as providing reasons why good is better than bad. The writing is at or slightly above the lower age groups so help in getting through may be suggested, but any difficult or more advanced words or concepts are explained in mini-glossaries at the end of each story. This is the first collection with six stories talking about: Selfishness Bullying Loyalty Gossiping Lying Positive Attitudes.
