Pearson, United States, 2013. Loose-leaf. Book Condition: New. 12th. 274 x 208 mm. Language: English . Brand New Book. Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book. From SAT scores to job search methods, statistics influences and shapes the world around us. Marty Triola s text continues to be the bestseller because it helps students understand the relationship between statistics and the world, bringing life to the theory and methods. Elementary Statistics raises the bar with every edition by incorporating an unprecedented amount of real and interesting data that will help instructors connect with students today, and help them connect statistics to their daily lives. The Twelfth Edition contains more than 1,800 exercises, 89 of which use real data and 85 of which are new. Hundreds of examples are included, 91 of which use real data and 84 of which are new. New coverage of Ethics in Statistics highlights new guidelines that have been established in industry.
