Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This new guide to the use of connectives will help writers improve the flow of their ideas and communicate more effectively. The Art of Connection begins by exploring the social life of sentences: the skills of transition and connection. The author outlines the ways that connection and disconnection create thought-pathways in the process of composition. The educational psychology behind connection is also explained. The Art of Connection then examines the relationship between natural flow and communicative improvisation. This dimension of writing is contrasted with the conventions of rhetoric used by great writers and speechmakers. Each chapter provides a critical outline of of the nine arts of connection: Location, Timing, Comparison, Contrast and Difference, the Supplement, Disputation, Sequence, Example and Illustration, and the Summary. Hundreds of practical examples of usage, drawn from the humanities and the sciences, from religion and the social sciences, from law, business and medicine are used illustrate each of the key topics. This book will be essential reading for students of EFL/ESOL/IELTS, for school or university students, and for creative or non-fiction writers working with the English language. The Art of Connection: the Social Life of Sentences is your invaluable guide to more effective communication in written or spoken English.
