Reviews

This sort of publication is every thing and helped me seeking ahead of time plus more. I am quite late in start reading this one, but better then never. I found out this pdf from my dad and i recommended this pdf to learn.

(Alex Jenkins)

FRAGILE EMPIRE: HOW RUSSIA FELL IN AND OUT OF LOVE WITH VLADIMIR PUTIN

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Fragile Empire: How Russia Fell In and Out of Love with Vladimir Putin, Ben Judah, From Kaliningrad on the Baltic to the Russian Far East, journalist Ben Judah has travelled throughout Russia and the former Soviet republics, conducting extensive interviews with President Vladimir Putin's friends, foes and colleagues, government officials, business tycoons, mobsters, and ordinary Russian citizens. Fragile Empire is the fruit of Judah's thorough research: a probing assessment of Putin's rise to power and what it has meant for Russia and her people. Despite a propaganda programme intent on maintaining the cliché of stability, Putin's regime was suddenly confronted in December 2011 by a highly public protest movement that told a different side of the story. Judah argues that Putinism has brought economic growth to Russia but also weaker institutions, and this contradiction leads to instability. The author explores both Putin's successes and failed promises, taking into account the impact of a new middle class and a new generation, the Internet, social activism and globalization, on the president's impending leadership crisis. Can Russia avoid the crisis of Putinism? Judah offers original and up-to-the-minute answers.
