Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Edgar Lenore s Publishing House announces with considerable privilege and appreciation the first annual publication, Edgar Allan Poet Journal #1, in celebration of the press history and evolution as an online, international archive. It is the purpose of the editor to provide readers with inspiration of both voice and vision. Many themes have arisen within this collective as it pertains to the exploration of the macabre, mysterious and ethereal realms presented in the work itself. Literature contained within presents patterns and reflection with lunarscapes, oceans and the mortal condition as muse. The common thread holding this cacophony of consciousness together is the gravity of shadow and the ability to captivate readers with the art of storytelling through images or texts, or the cohesive manifestation between these unique elements. Sincere gratitude extended to the readers and all remarkable talents who contributed to this exceptional body of work.
