Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Carol Stratton at Lighthouse Publishing says; It s a heart-wrenching account of a mother who goes to bat for their Asperger (highly functioning autistic) child. Despair, weakness and vulnerability are always exploited. Protect your child with something stronger than empathy. In the face of a disability, any inherent ability needs development. Parents should expect the moon, reach for the stars and pray harder. The events leading up to December 14, 2014 were not the end, or not the beginning to the end, but the dawning of a miracle and the time for Joseph part two to begin. Can a highly creative, bright, but Autistic child make contributions that will change the world? If a person can see every potential outcome to a problem, is it a blessing or a curse? More than thinking logically or analytically, Joseph can think both rationally and objectively. Logic and analysis are essentially philosophical and mathematical concepts, whereas thinking rationally and objectively are broader concepts that also embody the fields of psychology and sociology. Pondering thoughts to a conclusion can lead to truth, but truth within the limits of Autism can help or it can hurt. Flip a coin because providence is only delivered by the hand of God. Joseph was brilliant. If one looks past appearance, genius could be seen, but huge disabilities were in need of treatment. It takes a supportive family of educators and friends to develop strengths in an Autistic child. Otherwise, the child could be forgotten and just fade away. A legal battle to secure the right to a fair and equal education lasted almost the entire length of Joseph s public southern school pre-college education. During these...
