

Target Tokyo: Jimmy Doolittle and the Raid That Avenged Pearl Harbor

Filesize: 9.33 MB

Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding the event you check with me).

(Dr. Kristin Dickens)

TARGET TOKYO: JIMMY DOOLITTLE AND THE RAID THAT AVENGED PEARL HARBOR

Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. The dramatic account of one of America s most celebrated and controversial military campaigns: the Doolittle Raid. In December 1941, as American forces tallied the dead at Pearl Harbor, President Franklin Roosevelt gathered with his senior military counselors to plan an ambitious counterstrike against the heart of the Japanese Empire: Tokyo. Four months later, on April 18, 1942, sixteen U.S. Army bombers under the command of daredevil pilot Jimmy Doolittle lifted off from the deck of the USS Hornet on a one-way mission to pummel the enemy s factories, refineries, and dockyards and then escape to Free China. For Roosevelt, the raid was a propaganda victory, a potent salve to heal a wounded nation. In Japan, outraged over the deaths of innocent civilians including children military leaders launched an ill-fated attempt to seize Midway that would turn the tide of the war. But it was the Chinese who suffered the worst, victims of a retaliatory campaign by the Japanese Army that claimed an estimated 250,000 lives and saw families drowned in wells, entire towns burned, and communities devastated by bacteriological warfare. At the center of this incredible story is Doolittle, the son of an Alaskan gold prospector, a former boxer, and brilliant engineer who earned his doctorate from MIT. Other fascinating characters populate this gripping narrative, including Chiang Kai-shek, Lieutenant General Joseph Vinegar Joe Stilwell, and the feisty Vice Admiral William Bull Halsey Jr. Here, too, are indelible portraits of the young pilots, navigators, and bombardiers, many of them little more than teenagers, who raised their hands to volunteer for a mission from which few expected to return. Most of the bombers ran out of fuel and crashed. Captured...
