ECOLOGICAL EDUCATION IN ACTION: ON WEAVING EDUCATION, CULTURE, AND THE ENVIRONMENT

State University of New York Press, 1998. Soft cover. Book Condition: New. Ecological Education in Action celebrates the work of innovative educators in North America who explore ecological issues in school and non-school settings. These educators demonstrate how to reshape the thinking of children and adults to affirm the value of sufficiency, mutual support, and community. Courses in environmental education often focus on scientific analysis and social policy--not cultural change. Children are exposed to information regarding environmental problems and explore...
