Harlequin (UK), United Kingdom, 2008. Paperback. Book Condition: New. Large type edition. 207 x 135 mm. Language: English . Brand New Book. He was the most infuriating man. But on television it was a different story. There, Evan Taggart came off as handsome. Confident. Single. A state the reality show played up a little more than producer Leandra Clay planned. All too soon women with the same thought in mind--marriage!--started invading their small town in droves. So now it was payback time. Evan s ultimatum to Leandra--masquerade as his fiancée or he was walking (and her career in television was toast). The choice seemed easy at the time. But this Evan didn t act like the childhood friend Leandra remembered. Who knew he could kiss like that? Or that his slightest touch could set her skin on fire? Just friends? Stay tuned.
